OUR STORY

Our name is OTIP.

Our initials stand for Ontario Teachers Insurance Plan. We stand for putting Ontario's educators first. Members of the education community are our reason for being - helping them protect the things they care about is what gets us out of bed in the morning, and it's what makes us look forward to tomorrow.

It's been like that since day one.

Over 45 years ago, a group of like-minded individuals came together to create OTIP. They strongly believed the insurance needs of Ontario's education community would be better served by a not-for-profit insurance advocate. With determination, skill and vision, OTIP works with the best insurance companies to shape and innovate products and services specially built for the education community.

Today, we proudly offer a full range of group and individual insurance products that all share one thing in common. They were created to specifically address and satisfy the unique needs of our members.

Why? Because we believe that insurance built around members of the education community is the best insurance of all, and that doesn't stop at retirement.

At OTIP, we don't have a profit motive. We have something more inspiring: a "putting our members first" motive. The proceeds we generate by meeting the needs of our members and going beyond expectations enable us to continually develop new and better ways to protect what matters to them most.

OTIP is proudly governed, led and inspired by the four education affiliates and their local leaders who daily champion the employees of Ontario's education communities. Being affiliate-led means we understand the needs and hopes of our members. Every product and service we offer has been shaped and improved by this deep understanding.

And that will always be true.

When you pursue a career in education, you choose more than a career. You choose a life dedicated to putting others first.

WHY CHOOSE RTIP

- No age restrictions and no membership fees. Open to all retired Ontario education employees.
- Three health-care plans to choose from, with different prescription drug maximums and the freedom to increase or decrease your coverage at your next renewal.*
- Travel insurance is included in every RTIP plan and provides coverage for up to **100 consecutive days per trip, with unlimited trips per year and \$10 million in lifetime coverage.**
- You have the option to add dental coverage at any time, without penalty.*
- Conveniently access your plan anytime, anywhere with the **RTIP on the go** mobile app and plan member secure site! Submit claims and get status updates, view your history, and locate nearby service providers.
- **Active Retired Members (ARM)** — Become an **ARM** member to stay connected with other retired educators as you engage in social, political and other events and receive exclusive member communications. \$50 annual fee applies, visit otip.com/arm for more information.
- **Complimentary access to these value-added programs:**
 - **Express Scripts Canada Pharmacy™** — a home delivery drug program that covers 100% of your generic maintenance prescription drug expenses (or 90% of eligible brand-name prescriptions).
 - **Edvantage** — exclusive discounts from a variety of retail and service providers.
 - **OTIP Bursary Program** — we award bursaries of \$1,500 annually to post-secondary school students.
 - **FeelingBetterNow®** — mental health management program, available 24/7 online and on mobile.
 - **Carepath Digital Health™** — assistance in navigating through the multitude of cancer and elder care support services and programs available in Canada.
 - **Starling Minds** — Access tools to help better manage your mental health with a self-guided digital program that is available 24/7, private, and tailored to you.
 - **ALAVIDA** — Offers confidential, evidence-based substance use support from the privacy of your smartphone.

See pages 20-21 for more information about these programs.

Flexibility is important

Your needs will change throughout your retirement, so having the freedom to increase or decrease your coverage is important. Once you turn 65, the Ontario Drug Benefit (ODB) Program may cover the majority of your prescription costs. Don't pay for more prescription drug coverage than you need! For more information about the ODB Program, visit health.gov.on.ca and search "ODB Program."

*At renewal time, you can increase your coverage by one level (e.g. Gold 2500 to Plus 4000) or decrease by any number of levels (e.g. Plus 4000 to Gold 750, Gold 2500 to Gold 750). When you increase/reduce health coverage, it will take effect on January 1 of your next renewal. If adding dental coverage, you will be required to keep this coverage for 12 months, and if cancelling your coverage, you cannot apply for coverage again for 24 months after the date of termination.

DECIDING ON A PLAN

How old are you? What are your current annual prescription drug costs?

Under age 65 ► If you haven't kept track of the cost of your prescription drugs, don't worry! Call your pharmacist to determine the total annual cost of your prescription drugs.

Age 65 or older ► If you are 65 or older and living in Ontario with a valid Ontario health card, you are eligible for the Ontario Drug Benefit (ODB) Program. This program may cover the majority of your prescription drug costs. Call your pharmacist to determine the annual cost of your prescription drugs that are not covered under the ODB Program. Use that amount to determine the RTIP plan that will meet your coverage needs.

My current annual prescription drug costs are: \$
(Not including dispensing fees)

RTIP offers the following levels of prescription drug coverage to fit your current and potential future needs:

Plan	Annual prescription drug max.	What else is included? Go to:
RTIP Plus 4000	\$4,000	Page 6
RTIP Gold 2500	\$2,500	Page 8
RTIP Gold 750	\$750	Page 10

Remember, you're not locked in! We offer multiple plans because we know your needs will change throughout your retirement, and when they do, you'll be able to increase your coverage by one level (e.g. Gold 2500 to Plus 4000) or decrease by any number of levels (e.g. Plus 4000 to Gold 750, Gold 2500 to Gold 750). When you increase/reduce health coverage, it will take effect on January 1 of your next renewal. If adding dental coverage, you will be required to keep this coverage for 12 months, and if cancelling your coverage, you cannot apply for coverage again for 24 months after the date of termination.

Find the appropriate plan in this guide and use this checklist to further customize your coverage.

- Choose single, couple or family coverage.
- Ensure the monthly premiums fit your budget.
- Review and understand your prescription drug coverage.

What else is important to you?

- Travel insurance — Coverage for up to 100 consecutive days per trip, with unlimited trips per year.
- Vision care.
- Paramedical services (chiropractic, physiotherapy, acupuncture, etc.)
- Semi-private hospital accommodation — included in RTIP Plus 4000 and RTIP Gold 2500.
- Dental coverage — always optional. Add it at any time with no penalty. Coverage must be maintained for 12 months.

WHO IS ELIGIBLE

You've set your retirement date. This is the best time to apply! Apply before your current health coverage ends to ensure your RTIP coverage is ready when you need it. Applying early also ensures that your benefits card is in your hands when your coverage begins.

You've recently retired. If you apply for an RTIP plan within 60 days of your group health plan end date, you will have our three health-care plans to choose from.

You've already retired and want to switch from a different group benefits plan. If you want to switch to RTIP (even from another retiree group health benefits plan), you can apply within 60 days of your current group health plan end date and still have three health-care plans to choose from. There is no age restriction to join RTIP.

You have not been covered under a group health benefits plan in the last 60 days. If you apply for an RTIP plan more than 60 days after your health coverage ends, you will still be eligible for the RTIP Gold 750 plan. You will have the option to increase coverage from the Gold 750 plan to the RTIP Gold 2500 plan, after 12 months, following the next January 1 renewal.*

You're still working, semi-retired, or covered under a spouses plan. Even if your current health plan is not ending, you can still apply for the RTIP Gold 750 plan to coordinate benefits. You will have the option to increase coverage from the Gold 750 plan to the RTIP Gold 2500 plan, after 12 months, following the next January 1 renewal.*

Dependants. Members' unmarried children, not employed on a full-time basis, under the age of 21 (under 31 if attending school full-time) are eligible for dependant coverage under an RTIP plan. There is no age limit for unmarried, dependent children who are incapable of self-sustaining support due to a mental or physical disability that occurred prior to age 21. Keep in mind any two family members can qualify for couple coverage. If you do not have an eligible spouse, you and your dependent child can qualify for couple rates.

If you decide to cancel your coverage after 12 months, you must wait 24 months before you can apply for RTIP coverage again. Eligibility requirements apply to everyone covered under the plan. When transitioning from an existing plan, the member and any eligible dependants must have been covered under an employee or survivor benefit within 60 days of termination from the prior plan.

*If at January 1, you have not reached 12 months in Gold 750, you would have to wait until the next January 1 renewal period to increase coverage to the Gold 2500 plan.

All retired Ontario education employees, their families and survivors can apply for coverage under an RTIP plan. There is no age restriction and no medical evidence is required to join RTIP.

RTIP PLUS 4000

This comprehensive plan provides \$4,000 in prescription drug coverage per person, per calendar year. With superior health-care coverage, unlimited semi-private hospital accommodation, travel insurance and the option to add dental coverage, it is the choice of many retired education employees.

TRAVEL INSURANCE

Included in all RTIP plans at no additional cost

Our travel insurance offers comprehensive coverage and is included in all RTIP health-care plans at no additional cost.

Emergency medical treatment

- Coverage for up to **\$10 million per person, per lifetime**, while traveling outside of your province of residence or Canada.
- Coverage is effective for trips up to **100 consecutive days**, with an unlimited number of trips per year.

Trip cancellation and/or trip interruption

- Coverage for up to \$6,000 per person, per trip for pre-paid, non-refundable, non-transferable, unused expenses if you are unable to travel or continue to travel due to death, illness, or serious injury to yourself or a member of your immediate or extended family (as defined in the contract).
- Trip cancellation and trip interruption coverage are not available if you depart prior to the effective date of your RTIP policy. In the event of a trip interruption, return airfare is covered if the expense is incurred after the effective date of your RTIP policy.

24-hour emergency assistance

While you are away, 24-hour emergency assistance is always available. Services include arranging for: payment to health-care providers, medical referrals, transportation, notification of physician and family, and local care of dependants. If you are hospitalized and your dependent children and/or grandchildren under the age of 18 are left unattended, their return home will be co-ordinated and paid for. If necessary, a qualified escort will accompany the dependent children, and the escort's expenses for a round trip will be paid.

Before you decide to travel

- If you depart on your trip prior to the effective date of your RTIP policy, your coverage will begin the day your RTIP policy comes into effect. The 100-day limit will begin on the day you depart.
- Claims processing uses a standard administrative practice to determine if you were clinically stable at the time of the incident. Because decisions on the eligibility of a claim are made after the claim has been submitted, OTIP cannot guarantee before you leave that claims related to your pre-existing medical condition will be covered.
- As with any insurance plan, it is important to check the details of your contract to ensure you are protected. Additional details of the coverage and exclusions under the RTIP travel insurance plan can be found at otip.com/rtip-travel

Top-up insurance for trips over 100 consecutive days is available. Visit otip.com/rtip-travel for more information.

DENTAL COVERAGE

Dental coverage is optional

RTIP's dental plan covers regular examinations, preventive care and many more substantial procedures, as outlined below. Reimbursement is based on the current year's general practitioner's fee guide in the province of treatment.

Coverage includes:

Basic Preventive and Restorative Services*

80% coverage for dental examinations, extractions, fillings, X-rays, periodontal scaling combined with root planing up to 12 units of time, cleaning and preventive procedures with no overall maximum. Coverage for recall examinations is limited to nine months from the last appointment.

Comprehensive Basic Services*

80% coverage for root canals (endodontics), gum disease treatments (periodontics) and repairs, rebasing and relining of upper and lower dentures, up to a combined annual maximum of \$850.

Major Services*

50% coverage for crowns, bridges, implants and dentures, to a combined annual maximum of \$750.

Add dental coverage at any time!

Dental coverage can be added to any of the RTIP health-care plans at any time. The only requirement is that you remain enrolled for at least 12 months after adding dental care to your plan. If you decide to cancel your dental coverage after the minimum 12-month requirement, you must wait 24 months before you can repurchase this benefit.

I understand that my Information may be used in protecting us both from error and fraud and complying with various legal requirements. I understand that Coverage will not become effective until approved by OTIP. If I cancel my Coverage within 10 days from the date coverage is confirmed, any premium paid will be refunded. I agree that a photocopy or electronic version of this authorization shall be as valid as the original and this authorization will remain valid unless canceled by me in writing.

METHOD A – Automatic monthly pension deduction for members who have a pension with Ontario Teachers' Pension Plan

I hereby authorize and direct the Ontario Teachers' Pension Plan (OTPP) to deduct premium payments from my pension for my RTIP Coverage as well as any revised payment amounts or any other amounts that may be due and owing by me, and to remit the premium payments to OTIP on my behalf. OTIP may terminate coverage should a deduction be refused for any reason and OTPP shall in no way be held liable for non-payment of premiums should such an event occur. I understand and accept that premium amounts are subject to changes I elect to my Coverage and/or upon the annual renewal of my Coverage and OTIP will automatically apply and deduct the new premium amount from my pension, and I agree to waive any other notice of premium changes. If my payment is rejected for any reason, I understand that any outstanding amount may be automatically deducted from my pension the following month. This authorization shall remain valid unless cancelled by me in writing to OTIP at least ten (10) business days prior to the next monthly deduction. I understand that cancellation of this authorization does not relieve me of my obligation to pay all amounts that may be owing to OTIP by a method of payment that is satisfactory to OTIP.

OR

METHOD B – Monthly pre-authorized payment plan (PAD)

I hereby authorize OTIP to withdraw monthly premium payments from my bank account on the 1st day of the month (or next business day) as well as any revised payment amounts or any other amounts that may be due and owing by me. If my payment is returned by my financial institution, for any reason, not limited to non-sufficient funds, I understand that a \$10 OTIP administration fee for each payment returned may be added to the outstanding balance owed. If my payment is returned or stopped, any outstanding amounts (including the \$10 OTIP administration fee per returned payment) will be automatically withdrawn from my account the following month. OTIP may terminate coverage should a withdrawal be refused for any reason and the financial institution shall in no way be held liable for non-payment of premiums should such an event occur. I understand and accept that premium amounts are subject to changes I elect to my Coverage and/or upon the annual renewal of my Coverage and that OTIP will automatically apply and deduct the new premium amount from my account, and I agree to waive any other notice of premium changes. This authorization shall remain valid unless canceled by me in writing to OTIP at least ten (10) business days prior to the next PAD from my account. I understand that cancellation of this authorization does not relieve me of my obligation to pay all amounts that may be owing to OTIP by a method of payment that is satisfactory to OTIP.

I have certain recourse rights if any debit does not comply with this agreement. For example, I have the right to receive reimbursement for any withdrawal paid to OTIP that is not authorized or is not consistent with this PAD agreement. To obtain more information about my recourse rights, I may contact my financial institution or visit www.cdnnpay.ca. I warrant OTIP on a continuing basis that all persons authorized to sign on this PAD Account have authorized this agreement, agreed to all terms therein and that the information provided with regard to this PAD Account is accurate and complete. I undertake to notify OTIP of any changes to my chequing/savings account information, including change of name, at least ten (10) business days prior to the next PAD from my account to ensure changes take effect.

Type of Account: Chequing Savings

A void cheque MUST be attached to/included with this application.

Is this a joint account requiring only one signature? Yes No

A photograph of an elderly couple sitting at a dining table. The woman, with long grey hair, is wearing a black and white striped shirt and has her hand on the man's shoulder. The man, with a beard, is wearing a brown sweater. They are both smiling and looking at each other. On the table, there is a white vase with greenery, a glass of red wine, and some fresh vegetables like tomatoes and a yellow pepper. The background is a bright, modern kitchen with white walls and a window.

OTIP offers flexible life insurance plans with a variety of term lengths and coverage limits. Certain age restrictions apply and may impact your coverage options. To learn more and apply online, visit otip.com/LifePlan

RETIREMENT PLANNING

5+ years from retirement

Think about when it makes the most sense to retire from a career, lifestyle, and financial standpoint. Consider big questions such as how much money you will need and how you will enjoy your free time.

1-5 years from retirement

Attend a free workshop to learn more about the products and services OTIP offers retired members – from flexible health, dental and travel insurance to financial planning with our partner, Educators Financial Group.

Closer to retirement

Submit all of the necessary retirement documents. Review your health, dental and travel insurance needs and apply for the RTIP plan that fits best. You won't pay until your coverage starts, so apply early!

Important to-do's:

- ❑ Submit retirement letter to your employer.
- ❑ Contact your pension provider to advise of your retirement date (e.g. OCPP, OMERS).
- ❑ Contact your home and auto insurance provider to update your employment status – you could be eligible for discounts when you retire!
- ❑ Consider your health, dental and travel insurance needs in retirement.
- ❑ Review your life insurance and ensure you have enough in place to cover final costs, mortgage and other debt, and/or to provide a legacy for your loved ones.
- ❑ In addition to your employer pension, review details of your Canada Pension Plan and Old Age Security eligibility.
